FROM THE AUTHOR.....

‘Cursive writing’ means ‘joining letters without lifting the pen or pencil.’

Cursive writing ensures quality, uniformity, legibility and speed. It adds beauty in writing. Neat, legible and well formed letters make the work look more interesting.

The minds of young children are like clean slates. Childhood experience and knowledge create everlasting impression on the delicate minds of children.

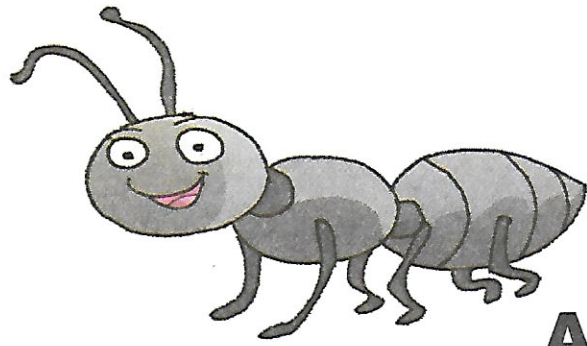

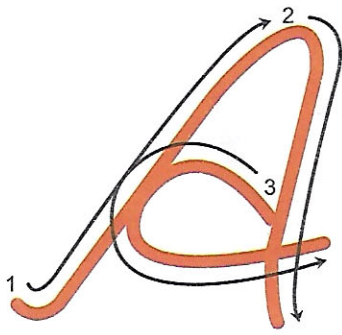

The **‘Little Hands at Work’** is written in a simple, lucid and attractive style. The books in the series will not only give the children an immense pleasure of writing but also enrich their minds with moral and social values. The activities include word formation, sentence formation, puzzles, story writing, letter writing and brain storming exercises.

The series not only lays stress on teaching of correct writing of letters and different strokes but also covers other aspects of learning.

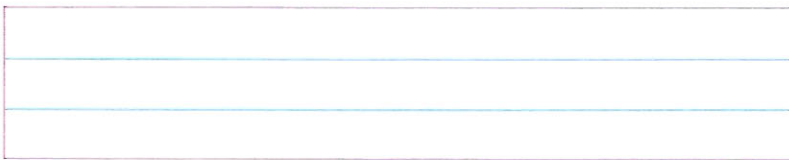

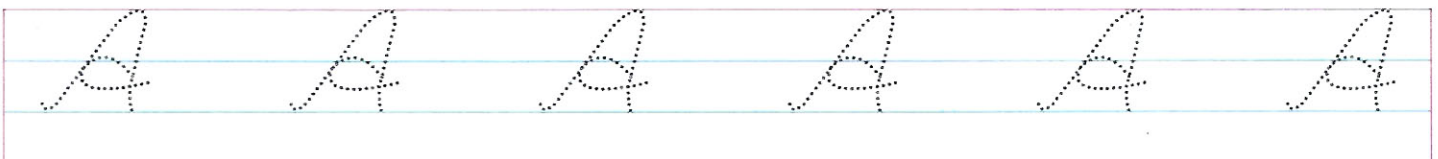

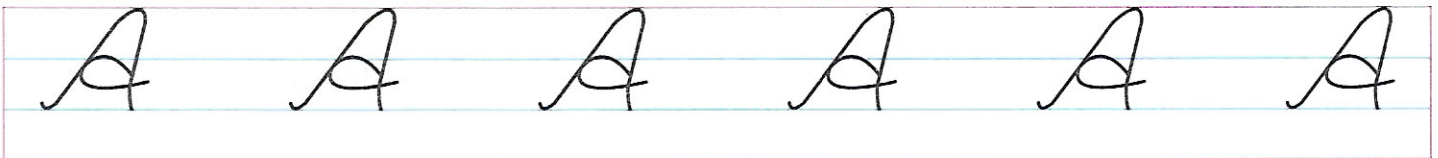

We are confident that these books will contribute towards shaping a neat and legible writing skill among young children.

The children will be captivated by the attractive and colourful illustrations of these books.
