## Preface

**Pathways** is a series of five Social Studies books based on the latest guidelines of the various educational boards for classes 1 to 5. The series has been designed to introduce social studies in an innovative ways to young learners.

Since today's child is tomorrow's citizen, he or she must be made to realize what he or she receives from the society and what he or she is expected to contribute it. This is the main aim of understanding the subject of social studies.

The special features of the series are follows :

- ★ The books are written in simple, easy to understand language.
- ★ The illustrations are colourful, eye-catching and well-labelled. They greatly enhance and contribute to the teaching learning process.
- ★ The series deals with current social topics and global issues with a new perspective.
- ★ Exercises are varied, detailed and fun to do.
- ★ Amazing facts under 'More to Know' sustain interest and increase knowledge.
- ★ The books are wonderful tools for self learning.

It is hoped that this series would be of great help to the young learners and the teachers alike by making learning as well as teaching easier, livelier and more enjoyable.

Queries and suggestions for the improvement of the series are welcome from the teachers as well as the learners alike.
